

PROGRAM HIGHLIGHTS

- Science, Technology, Engineering, and Mathematics (STEM) classes
- Exciting Outdoor Education Camp
- Australian Lessons

July
Summer Program 2020

AUS

**John Paul
International
College**

11 July - 2 August 2020 | Age 10 - 16 years

Programs

Students will practice their English and study Science, Technology, Engineering, and Mathematics (STEM) in Australian classes, experience outdoor education camp as well as a warm and welcoming Australian Homestay environment. Explore Australian wildlife near the vibrant city of Brisbane.

Recommended For

Students who would like to experience Australian culture with a mix of academic classes and activities. With a safe campus and friendly local people, it is perfect for students studying abroad for the first time.

Excursion Highlights

Sea World, Dreamworld, Brisbane City Tour, Currumbin Wildlife Sanctuary, Stradbroke Island
