1-2hrs to London Heathrow Airport

ART & DESIGN

Students have the option to study Art & Design, which encompasses both theoretical and practical aspects, including Painting, Illustration, Graphic Design, Textiles, Photography, Sculpture, and Modelling.

WORKSHOPS & EXHIBITION

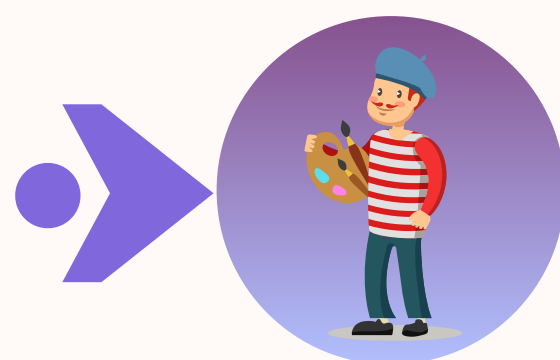

Workshops are conducted, and distinguished speakers are invited to impart their expertise, including participation in national art events such as: RA Young Artists Summer Exhibition, Portrait of Britain

FIELD TRIPS

Students engage in experiential learning beyond the classroom, participating in field trips to prestigious art events such as the Frieze International Art Fair in London and exploring galleries in Folkestone, a city celebrated for its vibrant arts and culture.

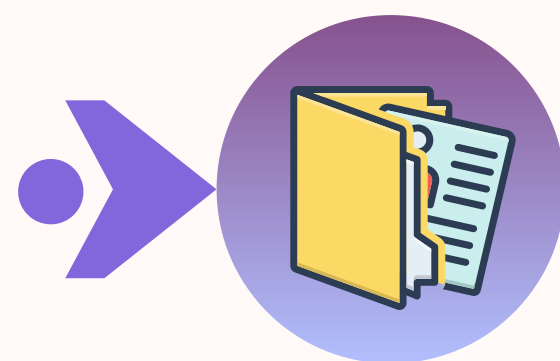

PROFESSIONAL INSTRUCTORS

Instructors within the Creative Arts program exhibit a profound passion for art and curate a diverse array of activities, encompassing demonstrations, artist discussions, and practical creations.

SHAPING PORTFOLIOS

Earlscliffe's art program prepares students with a robust portfolio suitable for admission to art universities in both the UK and the US.
